

Driving directions to Nanitch Lodge

- From Portland, take US 26 to Government Camp on Mt Hood.
- Just East of Government Camp, turn left up Timberline Road, towards Timberline Lodge.
- Almost immediately take a SHARP left turn onto (small) West Leg Road.
- Proceed 1 mile, weaving under the Summit chair lift to the unmarked driveway to Nanitch Lodge on the right. On the way, you'll pass the signed turnoff to the Mazama Lodge.
- Just before the Nanitch Lodge turnoff there is a vertical signpost (white) on the right labeled 30133.
- The Nanitch drive has a brown, single-bar metal gate with a peeling 90255 on it. If the gate is open, you may not be able to see it.
- You won't see the lodge, as it's hidden about 100 yards back in the woods.

Parking at the Lodge is limited, it may be best to park in a pullout on the West Leg Road and walk to the lodge.

The phone number at the lodge is 503-272-3075.
