I will **NOT** be purchasing my child's laptop through Catlin Gabel School because my child already has a Mac laptop that is a MacBook or better (no MacBook Airs) or a Lenovo ThinkPad laptop in the T-series. Please indicate the laptop model information above.

I understand that I will be financially responsible for any repairs, loss, damage, theft, and warranty issues that may arise. Catlin Gabel will assist with these issues as much as possible. If the laptop is lost or stolen or unusable due to damage or out-of-warranty repairs, I understand that I will need to purchase a new laptop through Catlin Gabel school as soon as reasonably possible.

I understand that I still am required to purchase an external hard drive for backup purposes and a copy of Microsoft Office 2011 (Mac) or 2010 (PC). My order form is enclosed along with this form.

I will drop the laptop off at the Information Technology office located in the Vollum building no later than one-week prior to the laptop orientation. IT staff will configure the laptop for the Catlin Gabel network and install all the necessary software. The laptop will be ready for pickup at laptop orientation.
