

PLANNING

PLACE

AND LEADERSHIP ACROSS CITY ENVIRONMENTS

LET'S PLAN THE FUTURE

Thanks to generous support from private donors and foundations, we are able to offer the program at the reduced rate of \$500. However, no one will be turned away because of an inability to pay: we also offer **scholarships**.

Email place@catlin.edu for more scholarship information.

who

PLACE is for youth who want to make the world a better place. PLACE is for you if you have completed your freshman, sophomore, or junior year of high school, or if you are a recent high school graduate.

how

Learning is exciting and hands-on. Signing up is easy. Download the application from the website or send an email to place@catlin.edu to get started. We will help you from there.

what

Portland is our living laboratory, where you will learn how to take a leadership role in making positive changes in your community and beyond. You will learn directly from community leaders about how government, non profits, and the public shape our city.

why

Learning and exploring with PLACE is fun, and your experience will help you stand out in job interviews and on college applications. You will gain the skills and confidence to make the world a better place. In addition, we offer .5 history credits or community service hours.

where

We meet daily in downtown Portland and take field trips throughout the city.

when

The summer 2010 program runs from July 5 to July 30, Monday through Friday, from 9 a.m. to 3 p.m.
