My child _____ has permission to visit Catlin Gabel Middle School on the
day of _____.

Except as noted on the back of this page, my child is in good health, has no food or drug allergies, has no chronic conditions that would affect treatment and takes no medications routinely.

In the event of a medical emergency, I understand that The Catlin Gabel School would make arrangements to transfer an injured student to the nearest hospital. Simultaneously, the School would begin efforts to reach the parents or legal guardian. If a delay in reaching the child's parents or legal guardian jeopardizes the child's well being, The Catlin Gabel School would secure whatever treatment is deemed necessary by a medical professional, including the administration of anesthetics and surgery. **On the back of this page, I have included emergency contact information.**
